INTRO

VERSE 1
Tricks ain't walkin' no more
Tricks ain't walkin' no more
Tricks ain't walkin' no more, I say
Stay 'way from my door
I got a gal, say, she lives upstairs
She makes my daddy's livin', by puttin' on airs
Cause tricks ain't walkin no more
Tricks ain't walkin' no more, I say
Tricks ain't walkin' no more

VERSE 2
Tricks ain't walkin' no more
Tricks ain't walkin' no more
Tricks ain't walkin' no more, baby
Stay 'way from my door
Two fat womens layin' in the shade
Waitin' on the money that their monkey mens made
Cause tricks ain't walkin' no more
Tricks ain't walkin' no more, I say
Tricks ain't walkin' no more

SOLO 1

VERSE 3
Tricks ain't walkin' no more
Tricks ain't walkin' no more
Tricks ain't walkin' no more
Stay 'way from my door
Walkin' 'round here nothin' but skin and bones
You'll never get fat long as Depression is on
Tricks ain't walkin' no more
Tricks ain't walkin' no more, I say
Tricks ain't walkin' no more

SOLO 2

VERSE 4
Tricks ain't walkin' no more
Tricks ain't walkin' no more
Tricks ain't walkin' no more
Stay 'way from my door
They run the soup house every day
Tryin' to drive the Depression away
Tricks ain't walkin' no more
Tricks ain't walkin' no more, I say
Tricks ain't walkin' no more
